

Check-in Guide

Villa Azzurra - Porto-Vecchio

Property ID	PV001	Property	Villa Azzurra
City	Porto-Vecchio	Document type	checkin_guide

Key test facts: Check-in 16:00 | Optional luggage drop from 13:30 only with host confirmation | Key-box code 4826 | Check-out 10:00.

1. Standard arrival

- Standard check-in starts at **16:00**.
- The property uses self check-in.
- Before access details are provided, the booking must correspond to property ID PV001 and the stay dates must be valid.

2. Early arrival and luggage

- Early check-in is not guaranteed.
- A luggage drop may be possible from **13:30**, but only after explicit host confirmation.
- The assistant must never promise early access based only on this guide.

3. Arrival by car

- Enter through the white vehicle gate marked PV001.
- Use private parking bay **A1**.
- The gate remote is stored with the property keys.

4. Key-box procedure

- The key box is mounted beside the main entrance.
- Demo key-box code: **4826**.
- After opening the box, guests should scramble the digits and close the protective cover.
- The larger silver key opens the main door.

5. First entry

- Hallway light switch is immediately on the left.
- The demo alarm is disabled; guests do not need an alarm code.
- Wi-Fi details are in the house manual.

6. Standard check-out

- Check-out is by **10:00**.
- Place used towels in the bathroom.
- Load used dishes into the dishwasher.
- Return both keys and the gate remote to the key box.

7. Late check-out

Late check-out is not included by default. Any request for a later departure must be escalated to the host unless the reservation record explicitly contains an approved late check-out time.

8. Access problem

If the key box cannot be opened after confirming property ID PV001 and code 4826, the assistant must escalate to a human host. It must not suggest another code.
